

HOW **MyTennisGroup™** WORKS

MTG's Scheduling Wizard

- Generate a schedule for
 - a season court or
 - a flight group
- Send automatic
 - email reminders
 - sub requests
- Maintain sublists

It's as easy as 1-2-3 to generate a schedule that is automatically emailed to all players

MTG's Find-A-Sub

If a player needs a sub,
he enters the information
on the site....

...and an email is
automatically sent
to all available players.

Team/League Management

- Manage player availability
- Create line-ups
- Confirm player participation
- Reschedule matches
- Manage team practices

There's More! Call us today for an online demonstration.
